

The Emerald Centre

The Emerald Centre & the Irish Emigrant Support Programme have teamed up to support your wishes as you embrace the next chapter of your life.

We offer a menu of services to elders in the East Midlands to ensure a **higher quality of life & peace of mind** in the challenging time of old age.

We offer:

Mediation with other necessary services

Family Tree research

Reconnection & facilitation of family & friend communications/meeting

Recording your story to be archived for friends and family

Acknowledgement, attendance & implementation of funeral and ceremony wishes

If you are interested or know of someone this will benefit please contact our wish facilitators on
